Declaration:

Mrs/Mr _____ declare that my personal effects/unaccompanied luggage do not contain dangerous such as lighters, petroleum products, gas canisters, fireworks, perfumes, explosives, flammable liquids, oxidizing substances, radioactive material according to governing Standard International Air Transport Association and Airline Rules and Regulations I bear full responsibility in case of false statement and the consequential damages caused from that.

I agree to settle all additional charges at the final destination (Air/Sea-port) on request according to the local rules.

Insurance has been offered to me and it has been my decision to accept or refuse it.

Any goods without insurance are carried at the owners risk and all unpaid invoices will incur premium storage charges.

N.B: Customs clearance charges, Terminal handling charges, customs inspection, storage, etc. are not included in door/airport or airport to airport service (extra service only on request).
